BTCA Health Examination Application Instructions

The following documentation should be sent along with the above application:

Silver Certification:

To receive your Silver Health Certificate you must submit for each dog:

- 1.) A photo copy of the CAER and Patella Certificate showing number and Date issued.
- 3.) **OR a photo copy of the Certification information from the OFA Web Site.**

Gold Certification:

In addition to the items needed for the Silver Certificate please send a photocopy of the OFA BAER Certificate **OR a photo copy of the Certification information from the OFA Web Site.**

Reference Information:

- 1.) The BAER test only needs to be performed once in a dog's life sometime after the dog is 35 days of age.
- 2.) OFA recommends having their exam performed annually with the first test being performed anytime after the puppy is 8 weeks of age.
- 3.) The Patella Exam should be performed after the dog reaches 1 year of age, to have the results registered with OFA. OFA recommends re-testing Patellas bi-annually.

Your dog must be permanently identified by Microchip, Tattoo or DNA prior to this test to have the results recorded by OFA.

Patella Examination can be performed on any dog that has reached 1 year of age and results can be recorded with OFA at that time. Exams performed before one year of age will be treated as a Consultation and no number will be issued by OFA. OFA recommends having this exam performed bi-annually.

To apply for your BTCA Health Certificate:

Please mail Page 1 and all documentation to me, postmarked prior to the deadline of **Feb 15th of the year you are applying for the Health Certificate.** Health Certificate will now be available to be picked at the Health Committee table during regular show hours at the Nationals. If you are not planning on attending the Nationals, please indicate that on the above form and the Certificates will be mailed to you during the week of the Nationals.
