Tonight, we are honoring our dogs that have had significant accomplishments during the last year or so. These awards include the following with a brief description of the requirements for each award.

## Register of Merit

This award recognizes those sires and dams in our breed that have produced a certain number of champions. Their owners must be Club members. To be eligible for this register, dogs must have produced five champions and bitches three champions. For each additional five or three champions produced, the dog or bitch, respectively, is awarded a star. Entry into this Registry is an important accomplishment since it recognizes good breeding practices that have produced sound dogs and is obviously important for the longevity of our breed.

## Gold/Silver Health Certificates

These certificates are given to those dogs, including veteran dogs seven years or older, that pass certain tests of medical soundness. While much needs to be accomplished in this area for the Boston Terrier breed, this award recognizes the overall health and soundness of the dogs honored.

## Top 10 Awards

Awards will be given to those dogs that have competed in conformation, agility and have consistently performed at the highest levels to achieve their rankings. For conformation, our Club recognizes the top 10 dogs that have defeated other Boston Terriers in breed competition. For agility competition, our Club recognizes the Top 10 in Agility MACH (Master Agility Champion) competition, based on points as well as the Top 5 in PACH (Preferred Agility Champion) competition. The conformation and agility statistics are maintained by The American Kennel Club. Since the accomplishments of the dogs benefit the entire dog fancy, these awards are given irrespective of membership status in the Club.

## Versatility Awards

These awards honor those dogs that have attained champion titles in conformation plus additional titles in obedience, agility, rally and/or other AKC recognized sports. A Silver Award is given to those dogs that have either an obedience or agility title in addition to their champion title. A Gold Award recognizes those dogs that have attained both an obedience and an agility title in addition to their champion title. The Platinum Award recognizes those dogs who have earned titles in three disciplines in addition to conformation. To obtain these additional titles reflects upon the versatility of the breed and the hard work of the owners who have trained the dogs to work successfully in these companion/performance venues.

## Conformation, Companion and Performance Titles

Trophy awards and/or recognition will be given to those dogs that have completed titles in AKC conformation, companion, performance, and title recognition events. Members must apply for these awards.

Further information with respect to these awards and the application forms may be found on the club's website at [www.bostonterrierclubofamerica.org](http://www.bostonterrierclubofamerica.org)
